

# Coffee & Computers

**What:** Business computer literacy at the library. Participants will be searching for services with the help of library staff.

**Please RSVP to reserve your seat with the NE Public Library or the NEKC Chamber of Commerce.**

**Day 1:** A brief introduction to the internet and the services it provides.

-For those new to the internet and computers.

**Day 2:** A hands on introduction to business services and how to find them. An introduction to the KCSOURCELINK Business site and how to search for the specific services you need through the site.

-For intermediate to advanced users.

**Sponsored by the Northeast KC Chamber of Commerce and the Northeast KC Public Library.**
